# Steger-South Chicago Heights Public Library Gift Brick Program

“...to maintain an association of persons interested in the library, to focus public attention in a positive manner on library services, facilities and needs, to help promote the use and enjoyment of the library, to develop supplemental funding for the library and to actively support the policies and procedures of the Steger-South Chicago Heights Public Library District in the community.”

**FRIENDS OF THE STEGER-SOUTH CHICAGO  
HEIGHTS PUBLIC LIBRARY MISSION STATEMENT**

Established in January 1999, the Friends of the Steger-South Chicago Heights Public Library, in part, provides financial support for programs, projects, and materials that are not supported by tax dollars. The current funding priority is *furnishing the new Children’s Wing*, slated to open in early 2002.

The Children’s Wing will provide the children of Steger and South Chicago Heights with a place to study and play, a safe and friendly atmosphere where they can discover the magic of books and reading, nurturing a love that will serve them throughout their lives.

## Building Our Future, Brick by Brick

With the continued support of the communities of Steger and South Chicago Heights, the Friends of the Steger-South Chicago Heights Public Library are helping to raise money for library programs and for the construction of the new Children’s Wing. Please join us in supporting our library.

Engraved bricks, personalized to your specifications, may be purchased. These bricks will form a brick path around the Children’s reading Garden and will serve as a lasting testament to your appreciation of the library and its many offerings.
